

# Study in the UK

UK's most popular universities have traditionally been ranked as the best in the world. Students from all over the world choose the UK for their higher education each year, making studying in UK the number one choice for international students. The UK is famous for the offering of world-class education and good

future perspective.

British universities value the diversity embracing international students from all over the world. A British degree will differentiate you in today's competitive job market, all around the world, thus the UK is a hub for international students.

## Why study in the UK

- \* One of the most prestigious, top ranked higher education systems in the world.
- \* Advanced English language skills and valuable intercultural experience.
- \* Shorter course duration, 3-year bachelor and 1-year master.
- \* A variety of subjects to fulfil every need and wish.
- \* Universities in the UK maintain strong links with the industry, hence work opportunities for students during and after study.
- \* Diversity and variety.
- \* Eclectic cities and beautiful natural parks, culture, history and a very multicultural population.
- \* The opportunity to live on or near the school campus.
